

HSEM- Hurricane Assistance

If you or someone you know would like to assist with the response and recovery regarding Harvey or Irma, please go to ReadyNH.gov and follow the links there.

Please do not self-deploy or donate unsolicited goods. Self-deployment or donation of unsolicited goods can be counterproductive and divert resources from those most in need.

FEMA and the American Red Cross have stated that the most effective way to support disaster survivors in their recovery is to donate money and time to trusted, reputable, voluntary or charitable organizations. However, in-kind donations are also being accepted by some organizations.

To volunteer or donate, follow the instructions posted on the National VOAD website via ReadyNH.gov.
